DATASHEET - M22-ES-MS1

Key, MS1

Part no.	**M22-ES-MS1**
Catalog No.	**216416**
Alternate Catalog No.	**M22-ES-MS1Q**
EL-Nummer (Norway)	**4355423**

Delivery program

Basic function accessories			Individual keys
Function			Spare key for AUTO-OFF/RESET-HAND switch
Description			Lock mechanism MS1
Degree of Protection			None
Connection to SmartWire-DT			no
For use with			RAMO RASP M22(S)-W(R)S…

Technical data

General

Degree of Protection			None
Ambient temperature			
Open		°C	-25 - +70
shipping classification			DNV GL LR

Design verification as per IEC/EN 61439

Technical data for design verification			
Operating ambient temperature min.		°C	-25
Operating ambient temperature max.		°C	70

Technical data ETIM 7.0

Low-voltage industrial components (EG000017) / Accessories for control circuit devices (EC002024)			
Type of electrical accessory			Other
Type of mechanical accessory			Key

Approvals

North America Certification			UL/CSA certification not required
