UNIGLOVES® NITREX

Features

- 21 gauge seamless cut resistant liner
- High levels of dexterity for precision
- Cut resistant level F
- Featuring Unigloves NitreGuard® Technology
- Excellent abrasion
- Foam nitrile palm coating
- Reinforced nitrile thumb crotch
- Plastic free packaging

Benefits

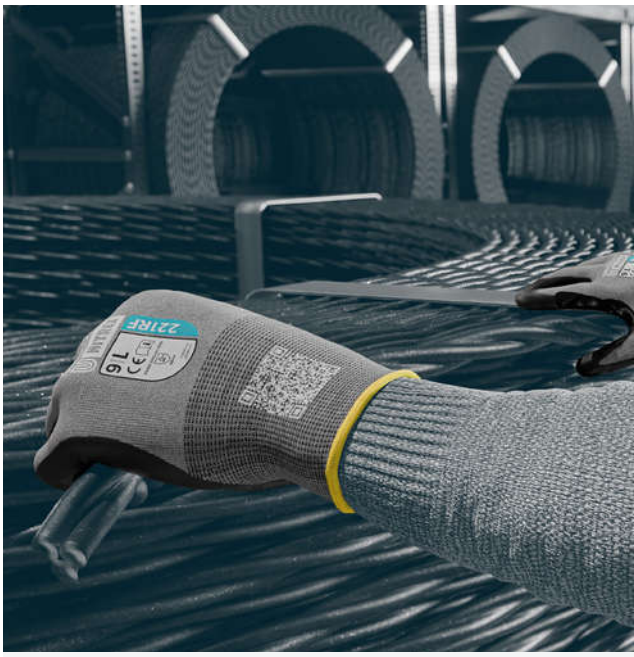

- Superior comfort and flexibility to reduce hand fatigue
- Excellent flexibility and touch
- Protects to the maximum EN ISO cut level F (≥30N), ideal for use in areas with a high level of cut hazards
- Unigloves NitreGuard® Technology is awarded to gloves achieving a high-performance in the straight blade cut test
- Extends the life of the glove
- The flexible foam nitrile coating resists oils and grease, wicks moisture for better grip, and allows breathability, making it highly versatile
- The reinforced nitrile thumb crotch offers extra protection when handling abrasive material and increases the life of the glove
- The finished good uses plastic-free packaging
