

ARAD 18 BC AS

Battery radio

Robust and mobile digital construction site radio with clear, unique sound and extreme flexibility to make work more enjoyable even in rough conditions.

Product number: 9 26 04 204 01 0

Details

- Two 15 W loudspeakers with extra passive radiators ensure a clear, unique sound – and an optimum listening experience.
- Sounds good no matter where you are: four sources (DAB+, Bluetooth®, FM and AUX), operated using a battery or the mains power supply as well as fixtures for vertical and horizontal positioning ensure universal potential uses and allow for a good sound quality in every work location.
- Thanks to the robust and compact housing with IP 54 protection, impact, dirt, dust and moisture aren't an issue – and you are perfectly set up for use in extreme conditions, such as on the building site.
- Handle and hook for vertical and horizontal positioning.
- USB charging option.
- A smartphone can be used to connect two radios for stereo sound.
- ProCORE Li-Ion battery with high-power cells, charge status indicator and “Electronic Cell Protection” (ECP). ECP protects against overload, overheating and total discharge. The COOLPACK 2.0 technology ensures a 135 % longer battery life compared with batteries without COOLPACK technology and therefore makes long operating periods possible. Compatible with all 18V cordless devices with AMPShare or Bosch Professional 18V battery interface.

Price includes

- 1 power supply unit
- 1 3 V CR2032 lithium button cell battery
- 1 aux cable
