Leitz Ergo Mouse Pad with Adjustable Wrist Rest – REF 65170085

The Leitz Ergo Mouse Pad with Wrist Rest is the perfect solution to help create a comfortable and active workspace. Designed to provide maximum comfort while sitting or standing, this wrist support certified by the IGR (Institute for Health and Ergonomics) combines an ergonomic design with very good tracking for both optical and laser mice. The computer mouse mat has 2 height settings and foam cushioned padding to ensure proper wrist alignment and reduce the risk of repetitive strain injuries. With it's minimalist design and matt finish, this stylish mouse wrist rest can have a positive impact on wellbeing by effortlessly creating the perfect active working set-up. Combine with other Leitz Ergo products for an inviting and flexible workspace to help you stay active and productive throughout the day.

Features

- Ergonomic adjustable mouse mat to promote a healthy hand position and improve wrist alignment
- Helps minimise the impact of repetitive strain injuries when working at a desk for extended periods of time
- Height adjustable for maximum comfort and to fully support the wrist
- Choose from two height settings (13 mm x 20 mm) by turning over the wrist rest
- High performance mouse pad surface provides good tracking control for optical and laser mice
- Wrist rest made from wipe clean material with foam-cushioned padding for quality and comfort
- The elegant design perfectly combines functionality with sophistication
- Made from non-toxic materials with a non-slip backing for stability
- Complements working whilst sitting or standing on a height adjustable desk
- Tested and recommended by the German IGR Institute for Health and Ergonomics, according to DIN 26800 EN ISO 15537
- The Leitz Ergo range combines style with premium quality to create a comfortable and active work environment
