

Nobo Impression Pro A3 Poster Frame with Anodised Clip Frame

This wall mounted poster frame sign holder has a stylish low-profile clip frame, seamless mitred corners and a truly innovative content replacement mechanism. Simply remove the front display frame, then exchange the content behind the transparent cover and re-place the display frame with a simple 'push click fit' connection. This stable and secure signage solution has a back panel which attaches firmly to the wall using through corner mounting; allowing you to replace the content without removing the frame from the wall. The innovative design enhances a traditional product solution by making document replacement a quick and simple process. Display area size A3.
