(up to 250MB/s read[1])

Lexar QUALITY LABS

Powerful performance in a compact design

Get blazing fast speeds with Lexar® JumpDrive® S47 USB 3.1 Flash Drive. Store and transfer photos, videos, and files at USB 3.1 speeds—up to 250MB/s read[1]. Includes an advanced security software for peace of mind your files are safe. Available in different capacity options to suit your needs. It's also backwards compatible with USB 3.0 and 2.0 devices, providing added versatility. Three-year limited warranty.

Compact, portable, convenient. This super convenient flash drive gives you powerful performance in a low-profile design, making it easy to use for TV's, gaming, laptops and more with its simple plug-and-stay ability.

Store and transfer content at USB 3.1 speeds. Who wants to spend extra time waiting for files to transfer? With fast USB 3.1 performance, JumpDrive® S47 provides speeds up to 250MB/s read[1]. And for added versatility, the drive is backwards compatible with USB 3.0 and 2.0 devices.

Securely protect your files. JumpDrive® S47 includes an advanced security software solution with 256-bit AES encryption to help protect your essential files against corruption, loss, and deletion. Easily create a password-protected vault that automatically encrypts data. And for peace of mind, files that are deleted from the vault are securely erased and can't be recovered.

Capacities to store all your data. JumpDrive® S47 comes in a wide range of capacities — 32/64/128GB. These options make it easy to find one to suit your needs and store more of your data in one place.

Rigorously tested. All Lexar product designs undergo extensive testing in the Lexar Quality Labs, facilities with more than 1,100 digital devices, to ensure performance, quality, compatibility, and reliability.

For more than 20 years, Lexar has been trusted as a leading global brand of memory solutions. Our award-winning lineup includes memory cards, USB flash drives, card readers, and solid-state drives. With so many options, it's easy to find the right Lexar solution to fit your needs. Lexar products are available worldwide at major retail and e-tail stores. For more information or support, visit www.lexar.com.

[1] Up to 250MB/s read transfer, write speeds lower. USB 3.1 Gen 1 or USB 3.0 support required. Speeds based on internal testing. Actual performance may vary.
