IMPACTO® FOOT PROTECTION

Ultra Work-Sport Anti-Fatigue Insoles

- Ergonomically designed to provide cushioned support and shock absorbing comfort
- Versatile molded design with cupped heel to provide rear foot stability
- Made with expanded Sorbothane heel and metatarsal inlays to absorb shock and provide comfort when standing or walking in cold/hard surfaces for long periods
- Antibacterial fabric cover wicks away moisture
- Helps protect against back and knee pain and foot injuries such as plantar fasciitis
- Advanced polyurethane layer cushioning, support, rebound for less "pounding" per step
- Sorbothane insoles have proven to be a great defense against foot pain, back pain and impact related injuries such as Achilles tendonitis, runner's knee and shin splints
- Lightweight, breathable and antifungal replacement insoles will not bottom out
- Sorbothane® offers 94.7% shock absorption, positioned at point of impact to reduce pain, jarring, fatigue and risk of injury
- Great with athletic or work shoes and boots
- Made in USA
