Product Ref: TG1070

Medium weight nitrile foam, machine knitted general purpose winter glove with an integral elasticated wrist.

Key Features:

- Medium-weight seamless acrylic terry liner provides reliable thermal insulation, offering warmth and comfort in cold working environments.
- Terry loop construction with enhanced buffing improves heat retention while maintaining breathability to help reduce moisture build-up inside the glove.
- Palm coated with a soft nitrile foam finish, engineered to provide:
  - Excellent grip performance in wet, dry and oily conditions
  - High abrasion resistance for increased glove lifespan in demanding applications
- Suitable for use in outdoor work and winter conditions, providing comfort and protection during general handling tasks in cold environments.
- Ergonomic hand shape follows the natural contours of the hand to improve fit and reduce fatigue during repetitive tasks.
- Elasticated wrist cuff ensures a secure fit while helping to prevent cold air, dirt and debris entering the glove.
- Touchscreen capabilities allow the seamless use of digital devices without removing the glove.
- Red Traffi colour coding for low cut resistance, aligning with Traffi's 3-colour system for quick visual safety identification. Ideal for general handling where cut risk is minimal.

Ideal for:

- Logistics, Transport & Warehousing
- Waste Management
- Landscaping
- Oil & Gas
- Construction & Outdoor Work

Technical Specifications	
Size Range:	6-12
Liner:	100% Acrylic
Coating:	Nitrile Foam
Colour:	Red / Black
Conditions	

Packaging	
Qty/bag:	10 pairs
Qty/carton:	100 pairs

Certification
