# High precision strippers for Teflon insulators

## Description:

- High precision to cut the insulator circularly without damaging the conductor.
- Offset jaws designed to avoid marking insulators.
- AWG: 26 - 24 - 22 - 20 - 18 - 16.
- Die diameter: 0.55 - 0.65 - 082 - 1.05 - 1.30 - 1.55 mm. 165.U: Spare knife.

| | Weight [g] | Dimensions [mm] |
|---|---|---|
| 165.1 | 370.0 | 250 x 75 x 22 |
