Opening d	200

Item no.: UCK500
EAN no.: 8713574101715

Technical data

Description: Kit to allow vertical and/or lateral combinations. Machining is required. UCK maintains the enclosures IP rating.

Delivery: Neoprene gasket, combining bolts, protection profiles and mounting accessories.

Features

Feature: A baying kit including a gasket and bolts for polyester enclosures.

Advantage: Provides a sealing between the machined openings of two combined polyester enclosures.

Benefit: The protection degree of the combined enclosures is maintained.

Comment: You can combine any wall mounted enclosures if the height and depth or width and depth are identical. The protection degree of the combined enclosures is adjusted to the enclosure with the lowest protection degree.
