Differential pressure gauge DELTA-plus
Modelcode type: DPG40
Item number: 48655979

Differential pressure gauge DELTA-plus	
Nominal size	100 mm
Accuracy class for differential pressure gauge	class 2.5
Scale range	0 mbar...250 mbar
Unit	mbar
Working pressure gauge	with working pressure gauge 25 bar
Overpressure safety	25 bar
Process connection	2 x G 1/4 female
Materials	
Measuring chamber	aluminium, black painted
Seperation diaphragm / sealing	FPM / FKM
Movement	
Dial	Aluminum, white
Pointer	aluminium, black
Window	plastic, with zero point adjustment
Operating conditions	
Permissible ambient temperature	-10...+70 °C
Permissible medium temperature	-10...+90 °C
Ingress protection	IP 65
