GEARWRENCH

10 Piece 72-Tooth 12 Point Stubby Flex Head Ratcheting Combination Metric Wrench Set

9550

Features

- 72-tooth ratcheting box end needs a minimal 5° to move fasteners vs. 30° for standard wrenches
- Off-corner loading design on box end provides better grip and reduces fastener rounding
- Flexible head provides access to hard-to-reach bolts and fasteners
- Thin head and beam provide greater access in confined work areas
- Stubby beam length for when clearance is limited
- Manufactured from alloy steel for better strength and longer tool life
- Bright, full polish chrome finish easily wipes clean and resists corrosion
- Meets or exceeds ASME and ANSI specifications
