Ultra-slim storage with durable metal design

Designed with a sleek metal finish, the M22 is an ultra-slim drive that is portable and convenient to use. And with its simple plug-and-play function, you can quickly store and transfer files with ease, so your information will go wherever you go. It also comes with a key ring for added convenience.

Ultra-slim storage with durable metal design. Designed with a sleek metal finish, the M22 is an ultra-slim drive that is portable and convenient to use. And with its simple plug-and-play function, you can quickly store and transfer files with ease, so your information will go wherever you go. It also comes with a key ring for added convenience.

Available in capacities up to 64GB. The M22 comes in a wide range of capacities —16/32/64GB. These options make it easy to find one to suit your needs and store more of your data in one place.

Works with both PC and Mac®. Compatible with both PC and Mac® systems, the Lexar® JumpDrive® M22 USB 2.0 Flash Drive allows you to easily store a large number of photos, music, and video files.

Rigorously tested. All Lexar product designs undergo extensive testing in the Lexar Quality Labs, facilities with more than 1,100 digital devices, to ensure performance, quality, compatibility, and reliability.

For more than 25 years, Lexar has been a trusted leading global brand of memory solutions. Our award-winning lineup includes memory cards, USB flash drives, card readers, solid-state drives and DRAM. With so many options, it's easy to find the right Lexar solution to fit your needs. Lexar products are available worldwide at major retail and e-tail stores.
