Technical Data Sheet

T-Rex Brut Force Cloth Tape

242775 – 48mm x 9.14m

Properties

- Super-tough, premium cloth tape
- Built with Forge-Link Technology, an extreme tensile cloth, one loop of T-Rex Brute Force holds 700+ pounds of weight*
- Ferocious construction with high tack, double-thick adhesive that sticks to rough and dirty surfaces
- Too tough to tear by hand

Area of Use

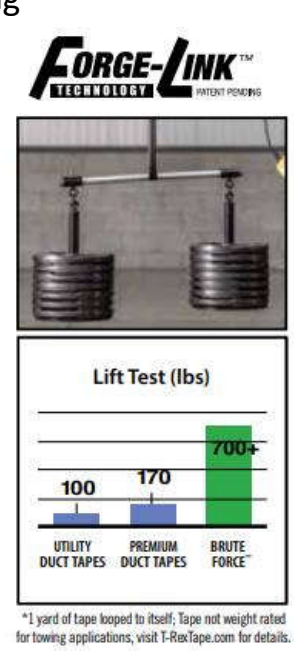

- Hold More, Do More™
- For the mot extreme applications, such as securing, hauling, binding, repairing, holding and more
- Can be used as an alternative to ropes and chains in many applications

Storage

- Tape should be stored in its original packaging in a cool, dry area away from direct sunlight and should be used within 12 months of date of shipment.

Technical Data

Thickness mm	: 0.43
Backing	: Durable waterproof backing
Adhesive	: Natural Rubber
Adhesion to stainless steel	: 7.11 N/10mm
Tensile Strength	: 437.8 N/10mm
Elongation	: 21%
Service Temperature Range	: 0^{o} - 93^{o} C

Physical and technical data displayed in this document are based on international accepted test methods but are no guarantee for product characteristics or product performance. Individual rolls may vary slightly from these averages.
The user should determine whether a product is fit for a particular purpose and is suitable for the user's method of application before use.
