Cut A General Handling Glove

Lightweight Sandy Nitrile Coated, Machine Knitted, General Purpose Glove with Elasticated Cuff.

Key Features:

- Lightweight glove made with soft polyester and elastane blend, ensuring superior flexibility and durability - plus a precision fit for enhanced comfort and dexterity.
- Silk-finished sandy nitrile palm coating offers breathable technology that delivers exceptional grip performance in dry, wet, and lightly oily conditions.
- High abrasion resistance extends product lifespan, maintaining performance in demanding environments while reducing replacement frequency, cost in use, and down time.
- Ergonomically contoured design minimises hand fatigue, enabling prolonged wear without compromising freedom of movement or comfort.
- An elasticated wrist ensures a secure and adaptive fit and prevents debris entering the glove.
- Enhanced breathability and moisture control regulates temperature and reduces sweating.

Ideal for:

- Construction
- Maintenance
- Logistics
- Warehousing
- Manufacturing
- Engineering
- General Handling & DIY

Technical Specifications	
Size Range:	6-11
Liner:	95% Polyester & 5% Elastane
Coating:	Sandy Nitrile
Colour:	Red / Black
Conditions	

Packaging	
Qty/Pack:	10 pairs
Qty/Case:	200 pairs
