SKYTEC™

CUT PROTECTION

Sapphire Tungsten

High cut resistant pu coated glove with leather on palm

Superior cut and puncture resistance allowing protection in the most risky applications. PU coating and leather protects the hand from sharp edges while offering a long lasting grip.

Features

- HPPE and steel provide outstanding cut protection
- Leather palm protects from sharp edges while maintaining excellent grip handling heavy metal parts
- Unique leather design with the end of the fingers cut. PU coating underneath gives high fingertip sensitivity
- Leather reinforcement on the thumb crotch and aramid stitches to increase lifetime
- Contact heat protection up to 100°C / 212°F for a short period (15 seconds max)
- Seamless knit prevents irritation

Certifications
