HIGH DEXTERITY AND PERFECT FIT

An unlined high-quality leather glove with a synthetic backhand that provides extremely good fingertip sensitivity and a high level of protection against blisters, scratches, tears, and dirt. The reinforced index finger and reinforcements at the fingertips makes the glove more durable, as these parts are subject to more wear and tear. Suitable for all types of work in dry environments, especially fine assembly, and precision work.

CHARACTERISTICS

- Perfect fit
- High level of protection
- Extremely good fingertip sensitivity

FUNCTIONS

- Reinforced index finger
- Reinforced fingertips
