Laptop Stand - 2-in-1 Laptop Riser Stand or Vertical Stand - Ideal for Ultrabooks & MacBook Pro/Air - Ergonomic Angled Notebook Holder for Office Desk - Silver, Aluminum

Product ID: LTSTND2IN1

This 2 in 1 Aluminum Laptop Stand enables you to mount your laptop in two different positions depending on your application. Its aesthetic design provides function while maintaining an elegant silver look that matches your MacBook or other ultra-thin laptops. The 2 interchangeable silicone holders allow this stand to support laptops from 11" to 15" (14mm to 16mm in thickness) in an upright position, while protecting them from scratches and scuffing.

This Laptop Stand provides you with two options for mounting your laptop to suit your desktop setup. Use it as a laptop tilted stand, giving you an ergonomic tilted position for your laptop (17); or as a vertical laptop stand, to save space and keep your workstation organized. With the included bracket, this stand provides increased stability and weight distribution to your vertically mounted laptop.

With its open frame, this Laptop Riser Stand offers increased airflow allowing your devices to stay cooler than if they were laying flat on your desk.

The Aluminum Laptop stand has been designed with an open frame design, so you can have all the ports on your laptop easily accessed to use with docking stations, and other peripherals in both mounting options.

The LTSTND2N1 is backed by a StarTech.com 5-year warranty and free lifetime technical support.

Certifications, Reports and Compatibility

Applications

• Mount your laptop in a tilted position to help with ergonomic posture and increased comfort

• Set up your laptop in an upright position to save space and use your external display(s)

• Ideal for mobile use, to setup a comfortable workstation anywhere you go

Features

• LAPTOP RISER STAND: This sleek silver aluminum laptop stand has a surface ideal for laptops up to 15"; Tilted/raised design at an ideal angle (17) to help with ergonomic posture & increased comfort

• SAVE SPACE: Store the laptop vertically/upright when shut to maximize space, leaving all ports accessible for use with docking stations; Extra stability with an included wedge and 8.1"x2.9" (206mmx73mm) base

• VERSATILE: Laptop stand/holder with 2 interchangeable silicone cradle sizes (14mm & 16mm) to vertically support ultra-thin laptops like MacBook Air (11"/13"), MacBook Pro (11"/13"/15"), Ultrabook

• AESTHETIC DESIGN: Provides an elegant look to match your MacBook; Includes non-skid silicone pads positioned throughout to prevent sliding and to protect office desk/tabletop surface & laptops from scratches/scuffs

• STARTECH.COM ADVANTAGE: This angled/elevated notebook computer stand is backed for 5-years by StarTech.com, including free 24/5 North America based multi-lingual tech support
