PRODUCT SPECIFICATION & TECHNICAL DATASHEET

# CT46 - CT Impact D18 Nitrile Sandy Glove

**Collection:** Impact protection
**Range:** Hand Protection
**Materials:** DyUltra™, Nylon, PVC, Elastic, Elastane
**Dipping:**
**Outer Carton:** 72

## Product information

Introducing our cut D 18 gauge impact glove, designed to provide unrivalled impact protection. Engineered for low-energy impact situations, it safeguards against potential hazards. With its Level D cut resistance, this glove offers reliable protection without compromising dexterity. Experience seamless interaction with touchscreen devices, as it offers full compatibility. The nitrile foam coating ensures exceptional grip in wet and dry conditions. Redefining comfort, this glove is expertly manufactured without glass and steel fibres, minimising skin irritation.

### Impact protection

Hand injury is one of the most common and frequent complaints in the workplace. This collection of gloves provides vital protection against impact to the hand from multiple hazards.

### Hand Protection

A wide and increasing range of hand protection products is available. In order to help cater to every need. Only the best materials and manufacturing methods are used in the production of Portwests' extensive range of Hand Protection products....
