Chemsol

CSBB-EA

Bib ‘n’ Brace
with elasticated waist and ankles

Chemsol garments are crafted using a softer, more tactile 320gm² EPVC/Polyester fabric, offering both durability and exceptional chemical protection. A lighter and more flexible alternative to traditional PVC garments.

KEY FEATURES

- Elasticated waist ensures close fit
- Reinforced front bib for added protection
- Elasticated brace straps for added comfort and easy adjustment
- Elasticated ankle ensures a snug and secure fit
- Soft feel fabric for improved user comfort
- Stitched and high frequency welded seams
- Garment can be reused if not contaminated or damaged

COLOUR AVAILABLE

Green

MADE IN THE UK

4XL	179-184	138-146	128-136	81

STORAGE AND MAINTENANCE

We recommend storing Chemsol garments in their original packaging, away from UV sources. After use, please follow the care instructions provided on the label. To remove any contamination, rinse the Chemsol clothing with cold water and allow it to drip dry in a shaded area, away from UV sources. It is advisable to store Chemsol clothing in a cool, dry, and clean environment.

NOTE: For hygiene purposes, it is recommended that the garment be worn by the same individual.

CHEMICAL RESISTANCE DATA

For chemical permeation data, please contact our sales department at **sales@globusgroup.com.**
