PRODUCT NAME

STONEHENGE FITGO

KEY FEATURES

- Fitgo Lacing System
- Waterproof & Breathable
- Rebound EVA midsole for energy return
- ESD, HI & CI Certified
- Steel toe cap & Midsole protection

ITEM DESCRIPTION

Apache Stonehenge — built tough for demanding environments. Featuring a stone full grain leather upper and a waterproof, breathable bootie to keep you dry on site. The Fitgo lacing system ensures fast, precision fit adjustments, while a steel toe cap and midsole deliver solid protection. Comfort comes from the padded tongue and collar plus an EVA footbed, while the brand new AP Return outsole combines a rebound EVA midsole for energy return with a durable rubber outsole. Certified to heat resistance up to 300°C, fuel oil resistance, ladder grip, slip resistance, and both heat and cold insulation. Finished with a texturised leather bumper that surrounds the boot for enhanced durability. ESD certified.
