ENCLOSURES

USB C to 2.5 Inch Drive Enclosure

The USB C to 2.5 Inch HDD Enclosure allows you to connect a 2.5 Inch SATA HDD to your computer via the USB C port. The enclosure is compact making it very portable.

Please note, while it connects via USB C, the enclosure only supports SATA III 6Gbps due to SATA restrictions.

Easy to open, just press down on the indicator and pull back to remove the cover.

Features

- USB 3.1 Type C
- Supports 2.5 Inch SATA HDD
- Supports up to 6Gbps
- Tool free
- Aluminium/ABS shell
