evo lite evolution lite · evo 2 Mk2 evolution · evo 3 Mk3 evolution · evo 5 Mk5 evolution · evo 8 Mk8 evolution

LIMITATIONS OF USE

The sweatband is not designed to protect the wearer from falling masses

Protection will only be offered if the helmet and sweatband are fitted correctly

Any helmet subjected to impact should be replaced immediately

Do not apply paint, solvents, adhesives, or self-adhesive labels, except in accordance with instructions from the manufacturer

The attention of users is also drawn to the dangers of modifying or removing any of the original component parts, other than as recommended by the manufacturer

The harness and sweatband, when in contact with the skin may cause allergic reactions to susceptible individuals

If this occurs leave the hazard area, remove the helmet and seek medical advice
