KEY FEATURES

- Water Resistant Upper
- 100% Non-Metallic
- Core Comfort footbed
- Wide Fit
- Internal side zip with zip cover

ITEM DESCRIPTION

Apache Outback - A rugged wide-fit safety boot built for comfort and convenience. Featuring a nubuck water-resistant leather upper, lightweight composite toe cap and midsole protection, plus an internal side zip with cover for quick, hassle free entry. A cut-out rear collar adds driving comfort, while a padded tongue, collar and Core Comfort footbed deliver all day support. Finished with a tough scuff cap and our GTS PU/Rubber outsole, tested for heat and cold insulation, fuel oil resistance, heat and oil resistance to 300 degrees celcius, ladder grip and the highest slip rating for unbeatable all day performance.
