ERASING SPONGE

Magic

APPLICATIONS

- For wet use only. A dry spong can leave scratch surfaces.
- Erases any marks or stains on any smooth surface.

ADVANTAGES

- Erases stain on walls, doors etc.
- Slightly abrasive, allows you to erase stains whitout altering surfaces.

Kitchen / Office / Indoor

The erasing sponge éremoves encrusted stains (tea, coffee, oil, etc.) on all chrome, aluminium, stainless steel, ceramic and glass-ceramic surfaces.
This sponge removes ink, pen or marker stains and marks on any surface.

Car / Motobike

To clean the interior (leather seats, dashboards, etc.) as well as exterior: removes stains, mosquitoes, etc. on windshields, hubcaps, headlights, rims...
Allows you to clean motorcycle helmets without scrathing them.

AVAILABLE SHAPE

TECHNICAL DATA

Composition:	melamine resin
Density:	9 kg / m3
Torsion resistance:	> 120 KPa
Compression ratio:	> 7 KPa
Elasticity:	> 20 %
Dimensions:	90 x 70 x 30 mm
Weight:	around 2 g
