

Rexel Recycle Plastic Folder A4

Eco-friendly A4 document folder made from strong 100% recycled PP. For protecting documents on the go and organising papers at work and at home. The entire product can be reused and recycled again. It is packed in a cardboard box which is also 100% recycled and recyclable. Made in Europe. Recycled content confirmed by UL.

Attributes

- A4 folder for carrying, protecting and presenting documents with easy access to content due to top and right side opening
- Made from 100% recycled non-toxic plastic (PP) and the entire product is 100% recyclable
- Durable and long-lasting premium quality ensures you can re-use time after time
- Ideal for organising papers during travel as it takes little space and is easy to slide into a laptop bag or backpack
- A4 size with top opening; ideal for use in office, home office and school
- Embossed matte surface with premium quality film of 100 micron thickness
- Copy safe film prevents text lifting from paper to plastic
- The acid free material prevents paper from changing colour over time. Perfect for long lasting archiving of important documents.
- Product packaging is made from 100% recycled board and is 100% recyclable
- We are helping to clean the world by turning waste into new high quality and fully functional products, which can also be absorbed back into the recycling cycle.
- Recycled content externally audited and certifiled by UL
- Made in Europe
