Bee Blue is a range created according to the latest office design trends. Very decorative, perfect in the office as in our interiors for the Home Office, it is intended to boost performance and enthusiasm.
Without compromising on ecology, Bee Blue offers Blue Angel certified post-consumer recycled plastic products. Certainly the trendy and ecological range for citizen consumers.
The Pen Wave is a solid and stable large-capacity pencil holder available in Bee Blue.
Thanks to its 5 compartments of different heights you can store all your most common utensils. It offers 4 high compartments for large utensils: scissors, pens and 1 low compartment for small objects such as paper clips, drawing pins, USB key or even mobile phone.
This designer and very practical pencil holder will be most suitable for your workspace at the office or at home.
Environmentally friendly, this pencil holder is made from recycled plastic from household waste and is therefore Blue Angel certified. 25 year warranty.
