UH35

Yealink USB Wired Headset

Crafted for professional use, the Yealink UH35 USB wired headset features a 35 mm speaker with superb stereo audio, offering a premium auditory experience during calls and music listening. Its dual mics with advanced noise cancellation technology ensure clear conversations, while the ear cushions made of noise isolating foam in an oval shape provide effective passive noise blocking.

Designed for comfort and lightness, the headset comes with a leather headband and ear cushions that are skin friendly, making it ideal for extended wear. Perfectly suited for both office and remote work environments, the UH35 assists in maintaining focus and boosting productivity. It can work seamlessly with major UC platforms and integrate natively with Yealink IP phones.

Dual Noise-Canceling Microphones

The dual-microphone system, enhanced by Acoustic Shield Technology, delivers a 60% improvement in noise cancellation performance over single-microphone setups, intelligently filtering out background noise.

Phenomenal Audio for Call and Music

With the 35 mm speaker and automatic EQ adjustment, UH35 provides a balanced audio experience, whether you're on a call or listening to music. The headset's design, featuring new ear cushions and memory foam, helps to reduce background noise, offering a satisfactory listening environment.

Product & Ergonomic Design

The all-black design of the UH35 showcases a perfect fusion of modernity and elegance. The UH35 features a robust design, constructed from high-grade plastic and reinforced with a metal frame. The skin-friendly materials, soft memory foam, and ergonomic ear-fitting design deliver a comfortable experience all day long.

Busylight

The busylight will automatically glow red when you are on the call or in the meeting to reduce external interference and improve work efficiency. You can also manually turn on the busylight to indicate your working state directly and block outside distractions
