Tele-Mate® Pro
Telephone Test Sets

TM-700, TM-700i and TM-700UK

TESTING | TROUBLESHOOTING | ACCURACY

Easy to Use, DSL Compatible Smart Telephone Test Set.

For the evolving world of telecommunications, Tempo Communications is proud to have further updated and improved the Tele-Mate® Pro TM-700 Telephone Test Set.

The TM-700 helps technicians install, service, and maintain voice services with ease. DSL compatible in both Monitor and Talk modes, the TM-700's LCD screen makes reading polarity, voltage, current, and ringing frequencies easier than ever, and clearly shows speed dials and recent numbers for faster access. The TM-700 features over-voltage and over-current detection for safer operation and also features an Intercom mode, a built in toner for pair tracing, and DTMF detection and measurement for enhanced productivity. Use the builtin loudspeaker or with a headset (included) for easy hands free operation.

The Tempo Communications TM-700 makes your job faster, safer and easier.

Order Information:

CAT. NO.	DESCRIPTION	QTY.
TM-700	TM-700 Test Set w/ ABN "Bed of Nails" plus Spike Croc Clips & RJ11 (POS)	1
TM-700i	TM-700 Test Set w/ Small Croc Clips (Boxed)	1
TM-700UK	TM-700 Test Set with BT Plug (Boxed)	1

Specifications:

Length:	9.25" (235 mm)
Width:	2.5" (64 mm)
Height:	3.25" (83 mm)

NOTE 1: The TM-700i contains standard, small croc clips that do not pierce wiring. ABN style clips are also known as 'bed of nails' plus spike since they pierce the wiring for testing.

Features

- LCD for easy dialing, programming, caller ID, voltage, current, ringing, and DTMF measurements
- Safe over voltage and over current protection
- Intercom for "dead-pair" talking
- SmartIntercom™ between Tele-Mate® Pros allows "ringing" the far end
- Tone generator for pair identification
- Luminescent (glow-in-the-dark) keypad
- DSL line filter
- Super Impedance Amplifier to monitor lines without disrupting traffic
- Tone and Pulse dialing for old and new phone lines with Pause and Flash (TBR)
- User options allow USA or ETSI telephony with individual options available
- RJ11 socket for easy cord changes
- Ten last number redial & ten number speed dial memories
- Headset (included) for hands free operation, with loudspeaker option
- Volume control & mute
- Requires just two AA cells, readily available and low cost
