GEARWRENCH

12 Piece 120XP™ Universal Spline XL Flex Head Ratcheting Combination Metric Wrench Set

86229

Available at

RS Components

GEARWRENCH has redefined performance with the 120XP™ ratcheting wrenches, all of which have 120 unique ratcheting positions and a 3 degree swing arc. These ratcheting wrenches provide the best access possible and feature a tighter swing arc, a longer beam, a reduced diameter ratcheting box-end, and a slim line open-end design.

FEATURES

- 120XP wrenches have two double stacked 60-tooth pawls (120 positions) providing a 3° swing arc so you can turn fasteners in tighter confines
- Universal spline drive fits 12-point, 6-point, rounded 6-point, spline, External Torx® and square fasteners
- XL beam design is up to 25% longer than standard wrenches for improved reach, leverage, and torque
- Dual-direction off-corner loading for better grip and reduced fastener rounding
- Highly visible, recessed size markings are color coded for easy identification
- Flexible head provides access to hard-to-reach bolts and fasteners
- Manufactured from alloy steel for better strength and longer tool life
- Bright, full polish chrome finish easily wipes clean and resists corrosion
- Included rack for storage and organization
