As from 24 August 2023 adequate training is required before industrial or professional use.

The “Safe Use and Handling of Diisocyanates” training is required for those employees, and their managers/supervisors, where exposure to Diisocyanates may occur.

The training is available from an official organisation called “FEICA” (the Association of the European Adhesive & Sealant Industry).

The following URL is the link to their training page: www.safeusediisocyanates.eu

The ‘General’ training module is course code T-045, which can be completed for a fee of 15 EUROS (plus VAT) per person.

PLEASE NOTE: FEICA is a third-party organisation and is not affiliated with RS Group.

RS does not receive any payment from this training.
