OEM Insertion Thermometer with connection lead

Modelcode type: **TF45**

Item number: **48779511**

OEM Insertion Thermometer with connection lead	
Measuring element	
Sensor sleeve	
Thermowell material	Stainl. Steel
Thermowell diameter [F1]	6,0 mm
Thermowell length [U1]	70 mm
Connecting lead	
Lead length [W]	2000 mm
Electrical connection	
Operating conditions	
Measuring range	-50...+200°C (-58...+392°F)
