DATASHEET - PHZ-E10/30-VS

Variously locking cylinder lock

Part no.	**PHZ-E10/30-VS**
	138575
EL Number (Norway)	**2466206**

General specifications

Product name	Eaton xEffect CS locking system
Part no.	PHZ-E10/30-VS
EAN	4015081353545
Product Length/Depth	40 millimetre
Product height	33 millimetre
Product width	17 millimetre
Product weight	0.118 kilogram
Compliances	RoHS conform
Product Tradename	xEffect CS
Product Type	Accessories
Product Sub Type	Locking system

Delivery program

Type	General switchboard accessory
Model	Cylinder
Accessory/spare part type	Closing and locking systems Cylinder locks for comfort handles

Additional information

Key code	Individual key locking
Special features	Lock bit with eight adjustment positions, five pin pairs Lock cylinder designed to DIN 18252 and DIN EN 1303 Cylinder lock 10/30 with nickel silver tumblers Three keys included per cylinder
Used with	Comfort rotary and toggle handles

Technical data ETIM 9.0

Energy distribution systems (EG000015) / Insert for lock system (EC000743)

Electric engineering, automation, process control engineering / Electrical insulation and connecting material / Energy distribution system / Insert for lock system (ecl@ss13-27-40-06-42 [ACO557016])

Model	Cylinder
