# Superlock Socket & Wrench Set

150 pcs, 1/4”, 3/8” & 1/2” Dr. in Blow Mold Case

**Description**

**The advantages of Superlock Socket Sets**
- **A completely new style of wavy internal socket profile, enabling the torque to be applied 100% to the full face of the bolt head or nut, rather than just to the corners**
- **No possibility of slippage on nuts or bolt heads**
- **5% more effectice torque**
- **even damaged hexagon bolts can be loosened easliy**
