# OIL RECUPERATOR

## OD.BAC8

1. **HYDROCARBON RESISTANT**
   More durable, safer, and easier to maintain, making it a reliable and cost-effective solution for oil changes and fluid handling.

3. **CAPACITY 8 LITRES**
   Provides ample space for most oil changes, reduces mess, and streamlines the maintenance process.

2. **FOR FLOOR OIL CHANGE**
   Makes oil draining easier, cleaner, and more efficient, whether you're working at home or in a professional setting.
