P19W Folding Thermometer

P19W (5316138)

The P19W Folding Thermometer is a handy waterproof pocket digital thermometer for those quick food temperature checks in busy kitchens. It features a large backlit rotating display, which adapts to the way it is held.

Wide Temperature Range
Ideal for a variety of food temperature checks

Rotating Display
Use in either hand, always easy to read, even at awkward angles.

Accurate and Fast
Reads within 2-3 seconds and accurate to ±0.5 °C

Clever Design
With integrated hang hole, magnetic back and thin tip probe

Hold Function
Capture the temperature then read when safe or convenient.

Waterproof Case
Safely rinse under running water to keep clean

Adjustable 180° Angle
Open fully for safe probing at a distance or adjust to suit your needs

Perfect for quick food temperature checks

Temperature Accuracy	±0.9 °F/0.5 °C
Temperature Scales	°C or °F
Response Time	2-3 Seconds
Probe Length	4.5 in (110 mm)
Probe Material	304 Stainless Steel
Auto Shut-Off	90 Seconds
Display Type	LED,1 3⁄4 in (L) x 3⁄4 in (W) (44 mm (L) x 19 mm (W))
Battery	1.5V AAA Battery (provided)
Product Dimensions	165 mm (L) x 45 mm (W) x16 mm (H)
Warranty	1 Year

Warranty

All Comark instruments have a minimum one-year warranty unless otherwise stated. The warranty for temperature probes is six months and all other probes are unwarranted because the conditions of use are beyond our control.

The Comark Warranty covers manufacturing defects and component failure and applies worldwide. In line with our policy of continuous development, we reserve the right to alter any product specification without notice. Comark has an accredited UKAS (NIST equivalent) calibration laboratory for temperature and humidity measurement and offers full service and recalibration facilities. Comark Instruments is committed to providing quality and affordable products to the food service industry. Our thermometers and humidity testers bring speed, accuracy and reliability to the transport, testing and storing of food under HACCP guidelines. A large variety of products, well-trained staff, and a commitment to customer satisfaction mean you can come to us for answers to all your temperature measurement needs!
