Desk Mount Dual Monitor Arm – Premium Articulating Multi-Monitor Desktop VESA Mount up to 27” Displays – Adjustable Height/Rotating/Swivel/Tilt - Desk Clamp/Grommet - Silver

Product ID: ARMDUALPS

Create an ergonomic workspace with this premium desk-mount dual monitor arm, for monitors up to 27" each. The two articulating monitor arms with dual-swivel action offer a wide range of motion side to side. The attractive silver finish enhances the aesthetics of your workspace.

Enjoy a Wide Range of Motion to Work in Comfort

The dual articulating monitor arms offer a wide range of motion on several axes. It provides effortless motion to adjust the position of your monitors.

Sleek and Stable Aluminum Design

The robust aluminum design provides stable support for your monitors. The computer-monitor desk mount supports two VESA mount monitors (75x75, 100x100) with a weight capacity of up to 22 lb. (10 kg) per display. The cable-management channel helps to keep your workstation neat and tidy.

Adjust your Viewing Angle

Share your screen with ease. The double monitor mount offers a full +180-degree / -180-degree pan, to move your screen left or right. It tilts freely +90 / -15 degrees to adjust the angle up or down. Rotate your screens for landscape or portrait viewing.

Height Adjustment

Work in comfort. This height-adjustable monitor mount lets you raise or lower the monitor arms along the pole, with a range of up to 6.3" (160 mm)

Tool-less Assembly

The fully assembled desk clamp and pole, plus quick slide-and-click connections, ensure easy assembly. It also saves time when setting up multiple units. The dual-screen mount gives you the option of desk clamp or grommet hole mounting (hardware included).

The TAA compliant ARMDUALPS is backed by a StarTech.com 10-year warranty and free lifetime technical support.
