Ambient operating temperature - min

-25 °C

Ambient operating temperature - max

70 °C

Additional information

Special features

ON-OFF

Plastic

The circuit-breaker's ON/OFF buttons can be locked together by using the interlock. It is also possible to lock only the ON or the OFF button by using a padlock.

This means that it will no longer be possible to actuate the circuit-breaker locally.

The optional remote switching mechanism that uses an ON/OFF coil will not be interlocked

P = Insulated material

Used with

IZMX40...

INX40…
