SKINDICHT® KW-M

SKINDICHT® KW-M, metric, glass fibre-reinforced polyamide angle cable gland to decrease in installation height, space- and weight-saving

CE

Connector with standard housing unit

Space requirement

Low weight

Benefits

Space- and weight-saving application due to thin cable diameters
Decrease in installation height

Application range

Angled glands are used in areas where cables have to run in parallel to the housing wall.
Light and sound applications
Control cabinet manufacturing

Product Make-up

Metric connection thread acc. to DIN EN 60423
Basis for technical information DIN IEC 62444

Note

Refer to SKINDICHT® O-ring Perbunan® for suitable O-rings
SKINDICHT® KW-M can be combined with any cable gland, in particular with SKINTOP® ST-M
Counter nut to be used: SKINTOP® GMP-GL-M
In combination with SKINTOP® ST-M the degree of protection is IP 68 (acc. technical description)
