

PRODUCT NUMBER: 1002305

SUPERVIZOR SA66 Helmet-Mounted Visor Holder (Metal)

Honeywell

Overview

Reference Number
1002305

Product Type
Eye and Face Protection

Range
Faceshields

Line
Supervizor

Brand
Honeywell

Brand formerly known as
PULSAFE

Industry

- Industry
- Automotive and Part Manufacturer
- Glass Industries
- Metal steel
- Wood Industries

Product Use
General use and protection against impact (120m/s)
Chemical industry (protection against droplets and splashes of liquid)

Features & Benefits

Feature
A robust, heavy-duty, helmet mounted faceshield with hearing protection compatibility Compatible with a wide range of helmet designs (size, shape and geometry)Visor fixing method is secure and allows easy visor replacement

Benefit
it gives maximum protection, allowing full unrestricted head movement

Feature
Full face protection: optional chinguard versions available for added protectionCreased visor eliminates gaps and visor profile follows contours of the face Visor selection can be tailored to the specific hazard/application: mechanical, chemical, heat etc.SH items are compatible with the complete range of helmet mounted earmuffs including Bilsom

© Honeywell International Inc.

communication earmuffs

Benefit
Design allows the visor to be tilted whilst leaving the earmuffs in place covering the ears. It also facilitates the wearing of the earmuffs without compromising the attenuation, whilst maintaining a maximum area of facial coverage
