# P-30 ; -1...+5 bar gauge; 0 ... 20 mA, 3-wire

## Pressure sensor for precision measurements Type P-30

| | |
|---|---|
| Item number: | 48790556 |
| Quantity: | 1 pcs. |
| Order code: | P-30-R-BV360-GDZZ-B-A4Z-ZZ W1011DA1-Z2L-3ANZMZZ-PGSDA |
| Overview: | P-30 ; -1...+5 bar gauge; 0 ... 20 mA, 3-wire<br>@ 9...30 V DC; Accuracy: 0.05% of span<br>G1/2B<br>4-pin L-plug DIN EN 175301-803, IP65 UB=1, 0V=2, S+=3 shield: not connected<br>Specifications according to data sheet: PE 81.54 |
| Details: | Pressure sensor for precision measurements Type P-30<br>Specifications according to data sheet: PE 81.54<br>Accuracy: 0.05% of span<br>Measuring range: -1...+5 bar gauge<br>Process connection: G 1/2 B<br>Version for specific media: none<br>Output signal: 0 ... 20 mA, 3-wire<br>Electrical connection: 4-pin L-plug DIN EN 175301-803, IP65<br>www.wika.com<br>Model name customer-specific: P-30<br>Pressure port: Standard<br>Permissible medium temperature: -20...+105°C<br>Pin assignment: UB=1, 0V=2, S+=3<br>shield: not connected<br>Power supply: 9...30 V DC<br>with test protocol<br>*Made in Germany* on label<br>WIKA standard - specification according to data sheet |
