Desk-Mount Monitor Arm with Laptop Stand - Full Motion - Articulating - For up to 27" (17.6lb/8kg) Displays

Product ID: ARMUNONB

This monitor arm lets you create a convenient and cost-effective dual-monitor workspace, using your laptop as your secondary display. It features an integrated stand that elevates your laptop off of your desk, seamlessly aligning it with your other display.

Integrate your laptop display to provide enhanced productivity. The tray lets you adjust the height of your laptop, so that it's in line with your monitor, giving you the same functionality as a dual-monitor setup without having to purchase a second monitor.

With two displays you have the extra screen space that you need to simplify multitasking and maximize productivity. Using two displays makes it easier to reference material on one monitor while working on the other, saving you the time and hassle of having to flip back and forth between documents. Plus, for viewing longer pages or blocks of code without having to scroll down your screen, the LCD arm also supports simple landscape-to-portrait display rotation.

The flexible monitor arm and stand let you extend, tilt, and swivel the monitor and the laptop with a full range of motion across multiple axes, with spring-assisted height adjustments for effortless positioning. It makes it easy to create an ergonomic work environment that's tailored to your specific needs.

The versatile arm lets you elevate your laptop and traditional monitor stand off of your desk. This gives you more surface area for additional hardware or for completing physical tasks such as drafting or reading paper documents.

The monitor arm is perfect for smaller work environments, like cubicles, providing everything you need while using less space. Using the C-clamp, it can be mounted to the edge of your desk, table, or counter with up to 3.5 in (9 cm) in thickness.

Also, by combining the arm with a monitor, laptop, docking station, keyboard and mouse, you can comfortably set yourself up at a hot desk in the office, and easily recreate the same setup at home. It's perfect for business travelers and users who are constantly on the go.

The monitor arm supports a display of 15 to 27" up to a maximum weight capacity of 17.6 lb. (8 kg) and features cable management clips to help keep things neat. The integrated laptop stand also supports a weight capacity of 17.6

lb. (8 kg) and offers its own integrated cable management clips.

The StarTech.com ARMUNONB monitor arm is backed by a StarTech.com 5-year warranty and free, lifetime technical support.

Certifications, Reports and Compatibility

Applications

• Mount a display and a laptop to the edge of your desk or table with a wide range of adjustment capability

• Integrate your laptop display with your monitor and create a dual-monitor work environment

• Elevate your display and your laptop higher above your desk surface, for ideal viewing angles

• Rotate your monitor to portrait orientation for web design and coding

Features

• Optimize your desk space by raising your monitor and laptop off of your desk

• Replicate a dual-monitor setup by integrating your laptop as a second display

• Landscape-to-portrait display rotation (for use in portrait position, the mount supports ultrawide displays with max width of 29.4"/74.7 cm)

• Supports a 15 to 27” monitor (17.6 lb. / 8 kg capacity)

• Supports a laptop of up to 17.6 lb. (8 kg)

Hardware

Warranty	5 Years
Wallmountable	No
Articulating	Yes
# of Displays Supported	1
Mounting Options	Desk Clamp

Minimum Display Size	15in
Maximum Display Size	27in
Maximum Arm Extension	22.0 in [558.7 mm]
Laptop Arm Extension	15.0 in [381 mm]
Display Tilt	-90 / +85
Laptop Tray Tilt	90 tilt from horizontal to vertical
Swivel / Pivot	180 at the display
Display Rotation	360

Special Notes / Requirements

Note	The maximum extension of the laptop tray arm is measured from the pole to the center of the tray.

Physical Characteristics

Color	Black
Material	Aluminum
Laptop Tray Width	12.6 in [320 mm]
Laptop Tray Height	9.4 in [240 mm]
Product Length	22.4 in [57.0 cm]
Product Width	14.2 in [36.0 cm]
Product Height	23.6 in [60.0 cm]
Weight of Product	10.8 lb [4.9 kg]

Packaging Information

Package Quantity	1
Package Length	19.0 in [48.2 cm]
Package Width	13.4 in [34.0 cm]
Package Height	6.0 in [15.2 cm]
Shipping (Package) Weight	13.5 lb [6.1 kg]

What's in the Box

Included in Package	1 - swivel arm
	1 - extension arm
	1 - laptop tray
	1 - spring arm
	1 - pole and clamp
	4 - M4x12 screws
	4 - M4x30 screws
	4 - M5x12 screws
	1 - M6x25 screw
	4 - M5 nuts
	1 - M3 Allen key
	1 - M5 Allen key
	4 - spacers
	1 - height-adjustment ring
	1 - cable management clip (pole)
	2 - cable management clip (laptop arm)
	4 - rubber pads
	1 - plastic cap
	1 - instruction manual
