Scott® Rolled Hand Towels.

Uncompromised Clean. Every Single Time.

Scott® Control Rolled Hand Towel Solution:
Leading the way in hygiene[1]

Improve hand hygiene compliance

As employees wash their hands many times a day, hand towel softness is key. Scott® Control Rolled Hand Towel has been designed to be kinder to hands[2], actively encouraging hand hygiene compliance.

Efficiency in a softer roll[2]

Scott® Control Rolled Hand Towels provide 40% more dries, meaning fewer refills than equivalent competitor systems[2], so you don't have to compromise on hygiene or efficiency.

Scott® Essential Rolled Hand Towel Solution:
Best in class efficiency

Efficient hand drying in high traffic areas

Scott® Essential Rolled Hand Towel delivers more sheets per roll than other equivalent manual hand towel systems in the market, meaning less refills.[2]

Less storage and less waste

Scott® Essential Rolled Hand Towel offers a significant reduction in storage versus folded hand towels. Plus the easy one-sheet dispensing system reduces towel waste.

The most hygienic dispenser versus the competition[3]

Our new compact dispenser helps protect against cross-contamination.[2] Its smooth design with no dirt traps allows for easy one-wipe-clean.
Plus, our new improved never-run-out feature ensures a continuous rolled towel supply. And unlike SCA, our stub roll solution does not feed twice.

A brand you can trust

Our unique brand embossing technology used for Scott® Rolled Hand Towels increases user preference by more than 40%.[4]
