

LEITZ

Leitz Heavy Duty Hole Punch

Premium quality heavy duty 2-hole punch with Powersave Technology for effortless punching up to 65 sheets of paper (80gsm). This strong and durable hole punch features a non-slip handle and secure guide bar with clear markings up to A3 format to ensure smooth and accurate punching. Emptying the hole punch is easy and mess free with the hinged waste box and the handle locks down to save storage space. Built to last, this heavy duty hole punch is mainly made from aluminium diecast with a small share of recycled post-consumer plastic parts, repairable with spare parts to further extend the life of the hole punch. At the end of its life it is 100% recyclable when completely dismantled in the different material types to reduce waste and helps to preserve the earth's resources. The Leitz 5180 Heavy Duty Hole Punch comes covered by a 10 year guarantee and is GS safety tested. Matching products are available to cover all your heavy duty stapling and punching needs.
