## Leitz Ergo Pegboard Desk Organiser with laptop holder, 80x25 cm

Keep your desk tidy and make the most of the space available with the Leitz Ergo Pegboard Desk Organiser with laptop holder. This unique desk organisers is easy to mount to a desk or table and will bring your laptop screen (up to 15" laptop with a max depth of 245mm) to the perfect height to help prevent neck and back pain while working. It also creates instant vertical storage for everything from headsets and notepads to your smartphone and pens. Keep all your essentials organised, easy to find and free up valuable space on your desk whilst creating an ergonomic workstation. Two convenient hanging hooks for a bag or jacket are found on the back of the organiser. Simply position the strong 85% recycled plastic storage accessories provided (1 x laptop holder, 1 x smartphone holder, 1 x pen holder and 1 x hanging hook for a headset) onto the pegboard to create your own personalised workspace. Engineered in Germany and compatible with most desks with a maximum table top thickness of 35 mm, the pegboard organiser is easy to install and a valuable addition to our Leitz Ergo Sit Standing Desks (65340001 or 65360001). The pegboard is made from durable 8mm MDF to ensure strength and stability and soft rubber pads protect the desk surface from scratches. This modern and minimalist pegboard organiser with laptop holder and desk tidy accessories is ideal for your home or office to enhance comfort and maximise productivity. It's our mission to provide solutions that can empower individuals to thrive at work and beyond promoting positive mental health and physical wellness. Combine with many other Leitz Ergo products to customise your flexible and individual sit, stand & move workstation. Stay active and FEEL GOOD with Leitz.
