These Exacompta Forever PP Dividers are perfect for organising your documents in folders or binders. The 6 part means the divider has six separate sections, allowing you to categorise your paperwork efficiently.
These Forever dividers are made from 0.3mm recycled polypropylene. A4 in size and are translucent. They come with a printed index page for easy identification of contents.
The dividers are made from durable, translucent recycled PP, which means you can see through them to some extent, making it easier to identify the contents of each section without having to remove anything.
The 6 sections are pre punched so they can fit into most files and folders.
