Pro U3 Micro SDHC/SDXC Cards

Verbatim
Technology you can trust

Part Number: 47041, 47042, 47044, 47045 & 47046

Description

Unleash pro-level performance with Verbatim Pro microSD memory cards. Designed for action cameras, camcorders, smartphones, and tablets, these memory cards deliver high-speed data transfers for smooth 4K Ultra HD capture and playback.

Experience lightning-fast transfer speeds to your computer, facilitated by the UHS Speed Class 3 (U3) rating, enabling quick viewing and editing. No more long waiting times - jump right into the action.

Verbatim Pro microSD cards are highly durable, providing both water and shock resistance, ensuring your data remains safe even under extreme conditions.

256GB capacity and higher feature A2 app class, enabling superior app performance and faster loading times for an enhanced user experience.

Capture the world in 4K Ultra HD without hesitation, ensuring every moment is immortalized in stunning detail.

Compatible with any device featuring an SDHC/SDXC* memory card slot.

*SDXC compatible host device required

**UHS-I compatible device required; actual performance may vary depending on host device, interface & usage conditions
