Shelf bin 132x500x100 Black ESD

Shelf bins are designed to fit all standard metric shelves, cabinets, paternosters and industrial workstations. Bins of the same width stack securely, even if they are of different depths. Straight sides ensure an efficient use of space and the bins are available in several bright colours to facilitate product identification. You can see the contents clearly through the transparent bins. Each bin comes with a label and protective shields.

Product code	5015-4ESD
EAN-code	6416763036349
Width mm	132
Depth mm	500
Height mm	100
Internal width mm	110
Internal depth mm	457
Package width mm	515
