PureLite

Powered Air Purifying Respirator

PureFlo®

Moving from **disposable masks** to **powered respirators?** The cost efficient solution that **saves you money**, and offers **greater protection**.

The PureLite is an entry level, battery powered respirator providing protection for respiratory, eye, face and hearing. The original all-in-one, lightweight powered respirator.

- The **head-mounted design** provides optimum balance with no trailing leads or waist mounted power pack.
- The **full face shield** provides excellent all round vision and impact protection.
- **No face fit testing required**, the perfect solution for those with facial hair and/or prescription glasses.
- **Low running costs** with increased savings over time.
- **Equivalent respiratory protection** to an FFP3 mask.
