

LEITZ

Leitz Ergo Electric Sit Standing Desk 140 x 80cm with Stand-Up Reminder

Stay active and comfortable while you work with our electric sit stand desk - designed to keep you moving.

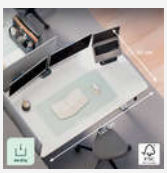

Elevate your workspace with the large Leitz Ergo Electric Sit-Stand Desk, perfect for home offices, hot desking areas, student areas or temporary workstations. This large sit and stand desk features a 140 x 80cm desktop that's spacious enough for two monitors, a laptop, laptop stand, keyboard and essential accessories and lifts up to 60kg with ease.

Part of a range of design award-winning ergonomic solutions proven to support comfort, wellbeing, and productivity. Independently Tested and certified to meet European standards for strength, durability, stability, and safety. Recommended by the IGR for its ergonomic benefits.

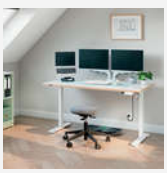

Switching between sitting and standing is simple with smooth and quiet electric height adjustment from 72cm to 118cm and four memory positions which allow you to find the perfect ergonomic setup in seconds. A programmable stand-up reminder lets you know when it's time to move. This helps to promote better circulation, reduce strain, and help you feel energised.

It also includes anti-collision protection, a digital height display, USB-C and USB-A ports for convenient device charging, and a child-lock function, combining safety with modern functionality for an efficient work experience. Made with FSC-certified wood and with low energy use in standby mode so you can feel good about your choice. Keep your wires neat with the 5 included transparent cable holders and use with our clever organisation options such as the versatile Leitz Ergo Space Saving Monitor Arm or the Leitz Ergo Pegboard Organisers to help keep your desk tidy.

Want more? Combine it with other Leitz Ergo products for an inviting and flexible workspace that keeps you moving and feeling good at work and beyond.
